

Congratulations on your engagement!

– the only thing we love more than cupcakes is a good party!

About our cupcakes:

All of our cupcakes are baked the day of your event and hand frosted by our expert frosters. We have three base cake flavors: rich chocolate cake, dense vanilla butter cake and red velvet cake.

We carry Seasonal Flavors that rotate each month and are based on local ingredient availability.

We do not arrange/host tastings, but you may visit any café to purchase cupcakes to try. Remember to ask if it is a seasonal flavor. Seasonals might not be available on your date, so always ask an employee.
